### School Goals

- Staff will work together to create a safe, respectful, culturally-inclusive environment with consistent school rules and expectations.
- All instructional staff in the school will use sound classroom management practices that encourage student engagement and affect student learning.
- All teachers use instructional strategies and initiatives that are grounded in evidence-based practices, strengthen the core academic program, increase the quality and quantity of learning time, and address the learning needs of all students.
- School staff educate families and provide needed resources for supporting their children's learning

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
