

Hello Families with Preschoolers,

My name is Katie Calhoun. I am the new preschool teacher for Neah-Kah-Nie school district. I am a recent graduate of Eastern Oregon University and I am beyond excited to be given the opportunity to be your student's preschool teacher!

I know this year looks different than most as we begin the school year with comprehensive distance learning, but I wanted to say welcome! We are going to have a wonderful year of learning, whether virtually or in person. I look forward to meeting and getting to know all of you and your students.

Please feel free to reach out to me with questions at 503-355-3508 or at [katiec@nksd.org](mailto:katiec@nksd.org).

Thank you,

Katie Calhoun, NKSD Preschool Teacher
