Dear Staff and Families of Neah-Kah-Nie High School,

Late last night, we were notified that a student in Neah-Kah-Nie High School has been diagnosed with COVID-19. As members of the school community, we understand that this might raise concerns alongside a caring response. We are working closely with Tillamook County Health Department to respond to this news and protect the health of our community.

We continue to believe that protocols for social distancing, hand washing, one-way traffic, mask wearing, and contact tracing are proving extremely effective. We appreciate your help by continuing to keep your students home when they don't feel well. We must continue to move forward with caution as we strive to mitigate COVID 19 in our school district and community in order to keep our schools open.

Sincerely,

Paul Erlebach, Superintendent
Neah-Kah-Nie School District

Estimado Personal y Familias de la Escuela Preparatoria de Neah-Kah-Nie,

Anoche, nos notificaron que un estudiante de la escuela preparatoria Neah-Kah-Nie ha sido diagnosticado con COVID-19. Como miembros de la comunidad escolar, entendemos que esto podría generar inquietudes junto con una respuesta solidaria. Estamos trabajando en estrecha colaboración con el Departamento de Salud del Condado de Tillamook para responder a esta noticia y proteger la salud de nuestra comunidad.

Seguimos creyendo que los protocolos para el distanciamiento social, el lavado de manos, el tráfico en un solo sentido, el uso de máscaras y el rastreo de contactos están demostrando ser extremadamente efectivos. Agradecemos su ayuda al mantener a sus estudiantes en casa cuando no se sientan bien. Debemos continuar avanzando con precaución mientras nos esforzamos por mitigar el COVID 19 en nuestro distrito escolar y comunidad para mantener nuestras escuelas abiertas.

Atentamente,

Paul Erlebach, Superintendent
Neah-Kah-Nie School District
