January 18, 2022

Chair: Kathy Kammerer

Minutes: Ally McCann

Start Time: 5:36 p.m.

Attending: Michele Aeder, Kelly Thayer, Ally McCann, Kathy Kammerer, Carol Mahoney, Sharif Liwaru

Opening statement was given by Kathy to honor the Grande Ronde, Nehalem, and Killamook tribes whose land we are on. Discussed links Liwaru sent regarding Oregon Tribal history and Indian Education resources.

Today's agenda and last months minutes were approved.

Old Business

1. Bus Driver Video: Michele spoke to two bus drivers and they are into the idea of creating a video. We need to discuss further with Michael (not present).
2. Recruitment of New Members: Kathy sent multiple links to possible new members, so far none have responded but we are hopeful. Link to apply is now easier to find and on our website. Liwaru demonstrated how to better filter through applications on Excel. Discussed having members re-apply each year, thus giving some people an out and/or the chance to deny someone who isn't wanting the committee to succeed. Vote was taken, all who were present voted YES to reapplying each year. Discussed when the reapplication should be, May was decided. Discussed if we should take a month break in summer, no decision was made on what month.
3. Press Release: Kelly has it and we discussed if it has to go to Paul beforehand, the consensus was yes. Kelly will send it to us first for any changes.
4. Bullying/Harassment: Tabled for next meeting so Michele can talk to Paul. Liwaru is going to send an example of Riverdale Schools' bullying/harassment form.

New Business

1. ESD Gender Support Guide: Discussed if they are asking us to approve the guide, what exactly are the expectations of the committee and the ESD guide. All agreed the link to the guide should be on our part of the website, which should be cleared by Paul first.
