 - c. Nothing in paragraph C, Section 3, shall be construed to limit the operation of paragraph C, Section 1, that is, the requirement that a retained teacher be licensed to fill the remaining position.
- D. Nothing in this Article shall be construed so as to interfere with the Board's right to dismiss or to non-extend a contract teacher pursuant to the provisions of the Fair Dismissal Law or to dismiss or non-renew a probationary teacher pursuant to ORS 342.835.
- E. In conducting a layoff under this Article, the District will first determine the program(s) or area(s) scheduled for reduction or elimination.
 - 1. After such determination, the District will make every reasonable effort to transfer teachers in such program(s) or area(s) to other vacant positions for which they are properly licensed.
 - 2. The District will make every reasonable effort to combine positions in a manner which allows teachers to remain licensed so long as the combined positions meet the curricular needs of the District.
 - 3. Layoffs will be based upon the criteria set forth in Section C above.

F. Recall

If within twenty-seven (27) months of a layoff, a vacancy occurs within the District for which a laid off teacher is licensed as per paragraph G below, the recall procedure outlined below will be followed.

1. At the time of the layoff, the District shall provide for laid off teachers to express in writing a desire to return to the District. The District shall also receive the teacher's address for recall notification. In the event of a recall, the District shall notify the teacher who has expressed a desire to return to the District of the recall by certified mail, return receipt, sent to the last address given by the teacher to the District office. The teacher will have 20 calendar days from the date of mailing to notify the District of intent to return. The teacher must thereafter report on the starting date specified by the District providing that this will not be less than 20 days from the date the notice of recall was received, or lose all recall rights. Notwithstanding, a recalled teacher will have up to 60 calendar days to return to District employment if that recalled teacher is, at the time of recall, employed by another school district and is required to give 60 days' notice of intended resignation at that other school district. If such a recalled teacher is released from the employment contract with the other school district, then such recalled teacher must return immediately to District employment. Failure of the employee to respond within the time herein specified shall terminate such employee's employment as a voluntary resignation.
 2. All benefits to which a teacher was entitled at the time of the reduction, including unused accumulated sick leave, will be restored to the teacher upon the teacher's return to active employment, and the teacher will be placed on the proper step of the salary schedule for the teacher's current position according to the teacher's experience and education. A teacher will not receive increment credit for the time spent on layoff nor will such time count toward the fulfillment of time requirements for acquiring contract status. Employee benefits do not accrue during the time of layoff.
 3. Teachers covered by this Article will have the option to continue insurance programs at their own expense subject to the approval of the insurance carrier.
 4. Teachers covered by this Article will be given consideration for substitute teaching; such will not affect teacher recall rights.
- G. In determining which teacher or teachers to recall, the Board will utilize the criteria set forth in paragraph C above. Any teacher who does not accept a recall will lose all further recall rights and will be deemed to have resigned from District employment. Any teacher not recalled pursuant to this Article within twenty-seven (27) months of layoff will be deemed to have resigned from District employment.
- H. Any "appeal" from the Board's decision on layoff or recall pursuant to this Article shall be by means of a grievance filed pursuant to the Article on Grievance Procedure. The decision of the arbitrator will be final and binding on all interested parties as long as the arbitrator's decision is within his/her jurisdiction. The arbitrator is authorized to reverse the layoff or recall decision made by the District only if the District:
1. Exceeded its jurisdiction;
 2. Failed to follow the procedure applicable to the matter before it;

3. Made a finding or order not supported by substantial evidence in the whole record; or
 4. Improperly construed the applicable law.
- I. Any probationary teacher who is non-renewed or dismissed for the same, and only the same, reason or reasons which the Board could have used to conduct a layoff under this Article, will be afforded re-employment rights in accordance with paragraphs F and G above.

1. These procedures should be processed as rapidly as possible; the number of days indicated for settlement or appeal at each level should be considered a maximum. The time limits can be extended by written mutual consent of the parties involved at any level of the procedures.
2. All parties should attempt to complete the procedures by the end of the school year. The parties shall make good faith effort to shorten the number of days provided at the various steps in order to finish by the end of the school year and avoid, if possible, carrying the process into the summer vacation period or the following school year.
3. All parties in interest have the right to consultants or representatives of their own choosing at each level of these grievance procedures.
4. There shall be no restraint, interference, discrimination or reprisal exerted upon any employee choosing to use these procedures for resolution of grievances. Nor shall there be any slowdowns or withholding of services by the grievant for not receiving full satisfaction from grievance procedure.
5. Failure at any level of this procedure by the grievant to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level. Failure at any level of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next level.
6. All documents, communications and records of a grievance will be filed in the School District office separately from the personnel files. References to the records, such as a summary, should be placed in the appropriate personnel file(s).
7. Forms for processing grievances shall be prepared by the Superintendent or his designated representative in cooperation with the Association and will be printed and given appropriate distribution by the parties so as to facilitate operation of the grievance procedure.
8. In the course of investigating any grievance, representatives of either party in interest who need to contact an employee or student in school, will contact the building supervisor of the building being visited and will state the purpose of the visit immediately upon arrival.

12. Each grievance shall be initiated within ten (10) days after the occurrence of the cause for the complaint; however, if the grievant did not become aware of the occurrence until a later date, then he must initiate action within ten (10) days following his first knowledge of the cause.
13. The grievance procedure for a grievance will not be used while that grievance is under the jurisdiction of the courts or has been submitted to the judicial process.

C. LEVELS OF GRIEVANCE

1. Level One -- Informal and Formal Grievance Level

- a. The grievant will first discuss his grievance with the principal or immediate supervisor, either individually or accompanied by a representative, with the objective of resolving the matter informally. This is level one of the Grievance Procedure.
- b. If the grievant is not satisfied with the disposition of the grievance, the grievant may file a written grievance with his immediate superior (who has administrative authority to act) within ten (10) days following the act or condition which is the basis of the complaint, or if the grievant had no knowledge of said occurrence at the time of its happening, then within ten (10) days of the first such knowledge. This complaint shall set forth the grounds upon which the complaint is based and the reasons why the grievant considers the decision rendered is unacceptable.
- c. The immediate supervisor shall communicate the decision in writing within five (5) days to the grievant.

2. Level Two -- Appeals to the Superintendent

- a. Within five (5) days of the receipt of a decision rendered by the immediate supervisor, the grievant may appeal that decision in writing to the Superintendent, or a designated representative of the Superintendent, who has the authority, by Board action, to act in the matter of grievances.
- b. Appeals to the Superintendent shall be heard by the Superintendent within ten (10) days of the receipt of the appeal.
- c. Written notice of the time and place of the hearing shall be given five (5) days prior thereto to the grievant, the representative, or any other persons officially involved in the grievance.
- d. Attendance at the hearing or appeal shall be restricted to persons officially involved. Parties in interest may elect to call witnesses who shall appear individually at the hearing.
- e. Within five (5) days of hearing the appeal, the Superintendent shall communicate to the grievant and the Association the written decision, which shall include supporting reasons therefore.

3. Level Three -- Appeals to the Board

- a. If the grievant is not satisfied with the decision of the Superintendent, the grievant

may file a written appeal with the Superintendent within five (5) days from the receipt of the Superintendent's decision.

- b. The appeal shall state the grievant's reasons for appealing the decision of the Superintendent. The appeal shall include the written dispositions of the case from all parties who have considered the case.
- c. Within fifteen (15) days of the Superintendent's receipt of the appeal, the Board will review the grievance, and acting through the Superintendent, the Board will render a written decision within five (5) calendar days after its review.

4. Level Four - Binding Arbitration

- a. If, after ten (10) days, the grievant is not satisfied with the disposition of the grievance at Level Three, the grievant may request in writing that the Association submit the grievance to arbitration. The Association may, by written notice to the Superintendent within fifteen (15) school days after receipt of the request from the grievant, submit the grievance to binding arbitration. If any question arises as to whether a particular dispute involved the interpretation, meaning or application of any of the provisions of this Agreement, such question will first be ruled upon by the arbitrator selected to hear the dispute. Except as otherwise expressly provided in this Agreement, the arbitration will be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at the time (hereinafter referred to as the "AAA Rules").
- b. Within ten (10) school days after such written notice of submission to arbitration, the Superintendent and the Association will attempt to agree upon a mutually-acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten-day period, a request for a list of five (5) arbitrators who are members of the American Arbitration Association may be made to the Oregon Employment Relations Board by either party. The parties will then be bound by ERB rules in the selection of an arbitrator.
- c. The arbitrator, so selected, will confer with the representatives of the Superintendent and the Association, will hold hearings promptly and will issue his/her decision not later than thirty (30) days from the date of the close of the hearings -- OR -- if oral hearings have been waived, then from the date the final statements and evidence are submitted to him/her. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law, or which is in violation of the terms of this Agreement. The decision of the arbitrator will be limited to wages, hours, terms, benefits and other working conditions of teachers addressed in this Agreement. The decision of the arbitrator will be submitted to the Board and the Association and will be final and binding upon the parties.
- d. The costs for the services of the arbitrator, including per diem expenses, if any, and his/her travel and subsistence expenses and the cost of any hearing room will be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.

- A. The District shall provide each employee a monthly insurance cap to be used for the purchase of fringe benefits, i.e., insurance including medical, dental, vision, and life, to be determined by the local Association from the plans approved and provided by OEBB.
1. Effective October 1 for the duration of this agreement, with an option to open in year three, the insurance cap shall be as follows:

Table of Maximum Contributions			
Tier	2022-2023	2023-2024	2024-2025
Full Family	\$ 2,436.77	\$ 2,448.95	\$ 2,461.19
Employee/spouse	\$ 1,729.29	\$ 1,737.94	\$ 1,746.63
Employee/Child	\$ 1,493.51	\$ 1,500.98	\$ 1,508.48
Employee Only	\$ 786.06	\$ 789.99	\$ 793.94

- B. Should a member choose plans with a total premium amount less than the applicable tier of the Maximum Contribution amount, the District will deposit the difference between the insurance cost and the applicable tier of Maximum Contribution amount into the Health Reimbursement Account (HRA) Voluntary Employee Benefit Association (VEBA). All contributions shall be subject to the rules and regulations of OEBB and the IRS.
- C. Should a member choose plans with a total premium amount in excess of the applicable tier of the Maximum Contribution amount, the member will have the balance of the total premium deducted from his/her monthly paycheck.
- D. The District does not guarantee against unilateral changes in benefits initiated solely by the insurance carriers (companies). In the event of Carrier-initiated benefit or program changes during the life of this Agreement, the parties agree to discuss potential changes in the benefit package.

An eligible employee who opts out of insurance by meeting the above requirements, shall receive a monthly stipend of \$535.49 (for 2022-2023: \$556.91; for 2023-2024: \$579.19 for 2024-2025) in lieu of the contractual insurance coverage. For part-time employees this stipend will be pro-rata in the same manner as Article 29F. The stipend will be considered taxable income. Those who opt out are not eligible for Section B contribution to the HRA VEBA.

- F. Part time employees who work less than .5 FTE will not receive benefits. Part time employees who work between .5 FTE and .75 FTE will receive pro-rata share of the applicable tier of maximum contribution for payment of medical, dental, vision and life insurance. Part time employees who work .75 FTE and greater will receive full benefits of their applicable tier. The intent of this section is to equate benefits to FTE. This section is not intended to address reductions in force which are addressed in Article 21. [Examples: 1) Employee works 5 hours per day (workday of 8 hours per day per Article 15) would work .625 FTE and receive 62.5% of applicable tier of maximum contribution; 2) Employee works 6 hours per day would work .75 FTE and receive 100% of the applicable tier of maximum contribution.]

- G. Beginning in 2017-2018, if the employee's medical insurance choice results in an IRS Cadillac tax that is passed on to the District from the insurance carriers, the employee's maximum monthly amount must cover the selected insurance costs and the IRS Cadillac tax or the employee will reimburse the District for the excess costs.
- H. Employees who work full time for part of the school year (not based on termination of employment or late hire) with the intention of returning the following year will have his/her FTE determined based on the number of days worked compared to the full number of contract work days. This calculated FTE will be applied to benefits based on section F above. [Examples: 1) Employee and District agree that employee will work full time for first two trimesters and not the third trimester and will return the following year to do the same teaching assignment. Using the 2015-2016 calendar, the second trimester ends March 11 for 130 days of 191 day contracted school year equals $(130/191)$.68 FTE and would receive 68% of applicable tier of maximum contribution for 12 months; 2) Employee hired full time (1 FTE position) beginning November 30 of contract year would receive 100% of applicable tier of maximum contribution beginning December 1 that would continue until September like other full time teachers; 3) Full time employee resigns from work effective January 15, 100% of applicable tier of maximum contribution would end January (insurance for February would not be paid by district or deducted from employee paycheck).]

The Association and the District recognize that the District has needs for varying amounts of extended duty contracts on an as-needed basis, usually outside the school year. The District offers these contracts as it determines necessary. The District is not required to fill extended duty positions.

This additional salary is to be equal to the daily rate of the employee's salary times the number of additional days worked.

ARTICLE 31 - EXTRA DUTY

A. EXTRA DUTY POINTS/LONGEVITY FACTOR

1. In order that equity may be established within the District in connection with extra-duty pay, points have been established for each duty position as indicated in Appendix B. These points are to be multiplied by an appropriate dollar factor, as set forth in this Article, to determine the stipend for each position.
2. Longevity within the District for extra duty positions will be recognized by increasing the minimum stipend by two percent (2%) for each year's previous service (to a maximum of 20%) in the District in the same or a similar paid extra duty position.

B. CALCULATIONS

1. The formula to be used in determining extra-duty pay for a given position shall be as follows:

$$\text{Points} \times \text{Longevity} \times \text{Dollar Factor} = \text{Stipend}$$

2. The Dollar Factor to be used in the above calculation shall be \$26.14. The Dollar Factor will increase by the same percentage each year as is applied to the salary schedule.
3. Steps for adding points to a position on the Extra Duty Schedule shall be as follows:
 - a. The person requesting that additional points be awarded their activity shall submit a "Request for Change of Status for Extra Duty" form to the building Principal and the Association President, citing the reason(s) for change of status and the number of total points requested for their respective activity.
 - b. The Principal and Association President will review and forward the request for change to the Superintendent. The Superintendent will review the request for change and apply such criteria for awarding Extra Duty points as responsibility, time, and training requirements in making the decision to approve or disapprove the request. The Superintendent will render the decision in writing. If the request is denied, the Association may choose to bargain that request in the next bargaining session.

C. NEW ACTIVITIES – DISTRICT INITIATED

During the life of this agreement, the District may create new extra duty activities and propose a rate of pay to the Association. If the Association requests to bargain the proposed rate, the parties shall use the expedited bargaining process in ORS 243.698.

D. NEW ACTIVITIES – STAFF INITIATED

Steps for adding activities to the extra duty schedule, at the initiation of a staff member, must include the following:

1. Determine the level of interest in the activity and the number of participants by offering the activity as an unfunded club activity during its first year of inception.

2. Should the activity sponsor be able to demonstrate sufficient interest and numbers of participants by the end of the activity period, that person can petition the building Principal to have it be awarded status as an extra duty activity.
 3. The petition to the Principal shall be on the “Request for Change of Status Extra Duty Contract” form.
 4. The Principal and the Association President will review the submitted Request for Change form and forward it to the Superintendent. The Superintendent will review the Request for Change form and apply such appropriate criteria as numbers of participants, level of student interest, and other pertinent facts before approving or disapproving the request to have that activity added to the extra duty schedule. The Superintendent will render the decision in writing. If the request is denied, the Association may choose to bargain that request in the next bargaining session.
- E. It is understood that the listing of a given extra duty position shall not mean that the District is required to fill the position or fund that particular activity.
- F. Ticket taking and all other related activities shall be paid per game/event. If ticket-taking responsibilities for any game/event should exceed a two (2) hour period, payment shall be made for each two (2) hour period. On Saturdays, the rate of pay shall be 1.5 times the usual rate.

ARTICLE 32 - LABOR MANAGEMENT COMMITTEE

- A. The District and the Association have formed a joint conflict resolution committee known as the Neah-Kah-Nie Council for the purpose of:
 - 1. Increasing and providing communication; and
 - 2. Resolving issues between bargaining sessions.
- B. Meetings of the Neah-Kah-Nie Council shall be on an as needed basis at the request of either party.
- C. Membership of the Neah-Kah-Nie Council shall be three members appointed by the Association and three members appointed by the District.

ARTICLE 33 - RETIREE PROVISIONS

A. EARLY RETIREMENT

1. Early Retirement - For teachers hired and working before July 1, 1993:

- a. Any teacher who reaches the age of 55 and who has taught in the District for at least seven (7) years may elect to terminate employment with the District and receive early retirement.
- b. A teacher who elects this option at age 55 or later shall receive such early retirement for up to seven (7) years or until first eligible for Social Security benefits, whichever occurs first.
- c. The early retirement stipend shall be 2% of the annual salary the person would have received if the person had remained in the District as a full-time teacher. The monthly payments shall commence on the first month following the effective termination date of the teacher.
- d. During the time the person is receiving early retirement the District shall provide and pay up to the maximum monthly amount specified in Article 29 the person would have received if the person had remained in the District as a full-time teacher. (Subject to insurance company guidelines.) Early retirees shall be eligible to participate in dental and vision insurance programs at the group rate, at the retiree's expense, subject to insurance company guidelines.
- e. Beginning in 2017-18, if the early retiree medical insurance choice results in an IRS Cadillac tax that is passed on to the District from the insurance carriers, the early retiree maximum monthly amount must cover the medical insurance cost and the IRS Cadillac tax or the early retiree will reimburse the District for the excess cost.

2. Early Retirement - For teachers hired and working on and after July 1, 1993:

- a. Any teacher who reaches the age of 58 and who has taught in the District for at least seven years may elect to terminate employment with the District and receive early retirement.
- b. A teacher who elects this option at age 58 or later shall receive such early retirement for up to four (4) years or until first eligible for Social Security benefits, whichever occurs first.
- c. The early retirement stipend shall be \$300.00. The monthly payments shall commence on the first month following the effective termination date of the teacher.
- d. During the time the person is receiving early retirement the District shall provide and pay up to \$250.00 for the premiums for 2-party medical insurance for the person under the District's group insurance program. (Subject to insurance company guidelines.) Early retirees shall be eligible to participate in dental and vision insurance programs at the group rate, at the retirees' expense, subject to insurance company guidelines.

- e. Each retiree shall be obligated to perform 15 days of substitute teaching work for the District, without additional pay, for each year the retiree draws early retirement benefits. Other work in lieu of substitute work may be mutually agreed upon by the retiree and the District. Failure on the part of the retiree to comply with this work obligation shall cause a pro-rata reduction in the stipend and the insurance contribution based upon the number of days not worked over 15 ($X \div 15$) times the yearly stipend and insurance contributions.
 - f. The above stipend and insurance cap figures will not be increased during the term of this Agreement.
3. Members contracted for the first time after June 30, 2010 shall not be eligible for any benefit described in Sections A(1) or A(2) above.

B. REHIRE OF RETIREES

1. Members who opt to retire before or during the school year may be hired by the District upon their request under retiree contracts for the balance of that school year under terms and conditions as set forth below.
2. To be eligible for the conditions set forth in this Article, a retiree retiring during the school year must notify the District at least 60 days before the retiree's intentions relative to retirement and of the retiree's desire to continue teaching under a retiree contract for the remainder of that school year. For retirees retiring before the school year, the retiree must give notice no later than July 10 preceding the school year that the retiree is requesting to be employed.
3. Retirees who retire before or during the school year and are not reemployed by the District pursuant to this Article and District policy will have the provisions of Section A of this Article available if they are otherwise eligible for that benefit as set forth in Section A.
4. Retirees who do work under a retiree contract will have the provisions of Section A of this Article deferred until they are no longer employed by the District, as long as the retiree is otherwise eligible for the benefits of Section A.
5. Bargaining unit retirees who work under the provisions described herein will receive salary and benefits provided to the bargaining unit except as expressly modified below:
 - a. The retiree will be paid on a per diem basis upon the salary of the retiree at the date of retirement. The District will no longer make a PERS contribution on the retiree's behalf.
 - b. The retiree will be provided the insurance provided to the bargaining unit.
6. The retiree will retire and resign in writing to the District.
7. The District is under no obligation to hire back any particular retired employee during the school year in which the employee retires, and is under no obligation to hire back any retired employee for any future school years after the retiree contract lapses. In other words, the employee has no reasonable expectation of employment after the term of his/her retiree contract.

8. Decisions to retain the individual in his/her current position will be made by the Superintendent. The individual will not be required to submit to established District applications and interview procedures if the Superintendent, in his/her own discretion, decides to rehire the individual in the current position. Decisions to return the individual in a position other than the individual's current position, such as a new position or another vacant position, will be made by the Board. The individual may be required to submit to the established District application and interview procedures for such positions, as determined by the Board.
9. The Association agrees that it will not grieve or otherwise litigate District decisions to hire, or not hire, retired members pursuant to this Agreement and District policy.
