The building administrator will make the decision as to whether the employee may be released. The District will require the employee to make up release time to attend Association meetings. Release time shall be limited to one (1) meeting per month, and will not exceed two (2) hours per meeting. Association meetings will be scheduled during non-student contact time.

ARTICLE 6: WORK WEEK - OVERTIME

- 6.1 The regular workweek shall commence on Sunday at 12:01 a.m. and conclude on the following Saturday at 12:00 midnight, unless prior agreement is made with the employee and building principal. If additional time is required by the District for an employee to work, it shall be compensated with time and one-half of that employee's regular rate of pay or one and one-half of compensatory time for every hour of overtime worked. An employee in the bargaining unit shall not be required to work ~~in addition to eight (8) hours per day, or forty (40) hours a week~~ without compensation of time and one-half of that employee's regular rate of pay.
- 6.2 Employees who are authorized by the principal or site supervisor to work during their scheduled lunch period shall either have the lunch period rescheduled during the same day or shall be paid for the half-hour, at their regular rate or overtime rate as provided in 6.1 and 6.3. This shall not be used unreasonably to change scheduled lunches and/or breaks previously set, nor shall it be used to prohibit employees from adequate time to consume a meal, rest and use the restroom.
- 6.3 Only actual hours of work will be used in computing overtime pay.
- 6.4 The District may adopt a ten-hour, four-day workweek for any of its employees. Employees on such a four/ten schedule shall be allowed overtime for work in excess of ten hours in one day, or forty (40) hours in one work week, but the same hours shall not count twice.
- 6.5 If an employee(s) requests to work a flexible schedule in any given Week, thus working longer than eight hours on one or more days, and shorter than eight hours on other days to remain within forty (40) hours for the week, the District may, at its discretion, allow the employee(s) to work the flexible schedule at the employee's regular wage without additional overtime pay.
- 6.6 The District acknowledges that the Bureau of Labor and Industry (BOLI) has set minimum requirements for break time for all District employees. Each employee is entitled to a minimum of fifteen minutes per rest break, inclusive of travel time between destinations.

Length of Work Period	Number of Rest Breaks	Number of Meal Periods
2 hrs or less	0	0
2 hrs 1 min – 5 hrs 59 min	1	0
6 hrs	1	1
6 hrs 1 min – 10 hrs	2	1

If the work period is at least six hours but less than seven hours, the meal period is to be taken after the second hour worked and prior to the start of the fifth hour worked. If the work period is more than seven hours, the meal period is to be taken after the third hour worked and prior to the start of the sixth hour worked.

The break period may not be added to the lunch period or deducted from the beginning or the end of the work period to reduce the overall length of the total work period.

ARTICLE 7: JOB POSTINGS, JOB OPENINGS, AND TRANSFERS

- 7.1 Job Postings: Vacant classified positions shall be posted by the District with the job classification/title clearly referenced, and a copy of the job description attached.

The Board shall make available to the Association a list of job openings in the bargaining unit. The job-opening list shall be available at least seven (7) days prior to the closing of the open positions. In addition, during the school year, notice of all bargaining unit job openings shall be posted in all buildings where employees in the bargaining unit are normally working. During the summer months vacancies will be posted at the District Office and on the Neah-Kah-Nie School District website for review by those interested. The listing shall include the job classification/title, location, shift, range or wage scale, and a copy of the job description.

- 7.2 The District will notify the Association of any newly created or significantly changed position at the point of advertising the position. If the Association demands to bargain over the pay rate within 14 days, the District shall enter into negotiations for a pay rate for the position. If no agreement has been reached when the District selects a candidate to fill the position, the District's posted pay rate shall be used. If a higher or lower pay rate is ultimately bargained with the Association during, the 90-day expedited bargaining period, the employee shall have that pay rate applied retroactively.

- 7.3 Current employees may apply for a job posting by submitting a letter of interest to the Superintendent's office. Employees that meet the minimum qualifications of the position shall be offered an interview during the preliminary screening interviews. Current employees may apply for a lateral transfer (to a position in the same pay range) by submitting a letter of interest to the Superintendent's office.

Unsuccessful applicants for positions may request the reason for non-selection. Upon request, an unsuccessful candidate will be granted an informal meeting with the principal or superintendent to discuss the hiring process.

- 7.4 Transfers: When a vacancy occurs which, the District intends to fill by lateral transfer, a notice shall be sent to all employees within that same job classification and to the Association's chapter president.

Current employees may apply for a lateral transfer by submitting a letter of interest to the superintendent's office.

Unsuccessful applicants for transfer may request the reason for non-selection. Upon request, an unsuccessful candidate will be granted an informal meeting with the principal or superintendent to discuss the selection process. Note: to be considered for transfer into a vacancy, the employee must be currently filling a position in the same job classification as the vacancy.

ARTICLE 8: LAYOFF AND RECALL

- 8.1 When a layoff occurs within the bargaining unit, the Association and those employees affected will be notified at least thirty (30) calendar days in advance of the layoff, except in emergencies.
- 8.2 Seniority - Seniority shall be defined as the total length of service as a classified employee within the District from the most recent date of hire as measured from the first date of actual service. For accounting purposes, all authorized paid leave will be counted towards seniority; authorized, unpaid leaves of absence (with the exception of FMLA/OFLA) in excess of thirty (30) days will not count towards seniority, but will not break seniority. Classified employees who are laid off and subsequently recalled shall retain cumulative seniority for all periods worked except for the period of layoff. Seniority shall terminate upon one or more of the following: resignation, termination, or promotion outside of the bargaining unit.
- 8.3 A. This Article is invoked by reductions/restorations of scheduled work time of _____ over an average of one hour per day.
- B. Layoff will occur by classification. A laid off employee may "bump" an employee in the same classification with less District seniority, provided that the laid off employee has had at least satisfactory evaluations in his/her current position, and possesses the qualifications and ability to perform the work of the new assignment as specified in the District's written job description for that position. The bumping employee may not gain more than one hour than originally scheduled prior to layoff nor shall the District be required to split existing positions to facilitate bumping. The laid off employee must elect to "bump" within seven (7) workdays of being informed of the layoff. Employees exercising bumping rights within the same classification shall remain on the same step they were on before the move.
- C. Employees affected by such a layoff shall have the option to decline an involuntary assignment to a position with less hours. However, employees opting out of an involuntary transfer to a position with less hours shall forfeit certain rights. See section 8.6 below.
- D. Laid off employees will not be paid any salary or benefits during the period of layoff. Notwithstanding, a laid off employee may, at his/her own expense, continue insurance coverage, subject to the approval of the insurance carrier(s) and to applicable laws for up to eighteen (18) months, or longer if allowed by the carrier.
- 8.4 A. An involuntarily laid off employee who previously worked in a different classification for the District, may "bump" an employee in the other classification as long as the following conditions are met:
- 1) The laid off employee has greater District seniority than the person to be "bumped";
 - 2) The laid off employee had at least satisfactory evaluations in his/her current position

and in the position he/she is attempting to bump into;

3) The laid off employee elects to bump within five workdays of being informed of the layoff.

B. Employees exercising bumping rights shall be placed on the step closest to their previous hourly wage if moving to a different classification.

8.5 Recall. Recall rights shall exist for 27 months from the date of layoff. Any laid off employee not recalled according to this procedure within the twenty-seven (27) months will be deemed to have been separated in good standing.

8.6 Whenever the District determines that a vacancy exists within a classification, which has experienced a layoff (within the last twenty-seven (27) months), involuntarily laid off employees from that classification will be recalled in reverse order of layoff. In the event there are no involuntarily laid off employees available, employees who took a voluntary layoff in lieu of an involuntary position of less work hours as authorized in section 8.2, above, shall then be recalled in reverse order of layoff. The recall notice will be sent by certified mail to the last address the District has on record for the laid off employee. A refusal of recall to a position which is comparable in pay and benefits to the position held prior to the layoff shall constitute voluntary termination and such employee shall lose any further right to recall. Comparable shall mean a potential of 90% or more of the previous annual income earned prior to layoff and the same level of benefits previously held. The laid off employee will have five (5) calendar days to respond to the recall notice. Failure to respond within the five (5) calendar days will cause the laid off employee to forfeit all recall rights and will be deemed to be a resignation. The recalled employee will have fourteen (14) calendar days from the date of response to return to District employment.

8.7 If no laid off employee has responded to the recall by classification, or if no further laid off employees exist from the classification, all other laid off employees may apply for the regular vacancy. Such application shall not prejudice the employee's rights to recall in his/her own classification.

8.8 All benefits to which an employee was entitled at the time of layoff, including unused accumulated sick leave, will be restored to the employee upon the return to active employment, provided those benefits are still in effect.

8.9 Upon request, the District agrees to provide to the Association a complete list of all classified employees, including each employee's first date of actual service and total experience in job classification(s) for the District.

8.10 Layoff and Recall for Fixed Term Employees.

A. The parties agree that when an employee is hired into a "fixed term" position, such employee is exempt from the provisions of this Article.

- B. However, if the “fixed term” employee is placed into that position as a result of an involuntary assignment, in the event that the fixed term position becomes eliminated, then the involuntarily transferred employee will be returned to his or her former position, even if such would result in layoff under this Article.

ARTICLE 9: PERSONNEL RECORDS

- 9.1 The personnel records of any employee in the bargaining unit shall be maintained in the District's personnel office. Such personnel records shall not contain any information of an evaluative or disciplinary nature that has not been copied to the employee prior to placing it in the personnel file. Such material shall bear either the signature of the employee, indicating that the employee has been shown the material, or a statement by the employee's supervisor or principal stating that the employee has been shown the material and has refused to sign it. An employee shall have the right to attach a written statement of explanation to any material, which the employee believes to be incorrect or derogatory.
- 9.2 An employee's personnel records shall be available for inspection upon his/her request during regular office hours. Employees may request that letters of caution, warning or reprimand be removed and destroyed three (3) years after they have been placed in the employee's personnel file provided the employee has not received another notice for a similar infraction with that three (3) year period. Such request shall be submitted to the Superintendent for action. If the Superintendent denies the request, the employee shall have the option to appeal that decision to the Board. The Board's decision on such requests will be final and binding.
- 9.3 Material placed in the personnel record of an employee without conformity with the provisions of this article will not be used by the District in any subsequent evaluation or disciplinary action proceeding involving the employee.

ARTICLE 10: CONTRACTING OUT

- 10.1 When and if the Board considers contracting out work that would result in a reduction of the number of employees, the bargaining unit will be so notified in writing. Should the bargaining unit request it, negotiations will be held with the Board on this issue only.

ARTICLE 11: SALARY

11.1 A. Annual salary increases for classified employees in the bargaining unit shall be as follows:

2022-2023: Steps on the salary scale adjusted to 1.45% between each step, and then a 6% salary adjustment.

2023-2024: 4% salary adjustment

2024-2025: 4% salary adjustment

2025-2026: 3% salary adjustment

B. A copy of the following items is to accompany the employee's first paycheck of the fiscal year: 1) step on pay schedule, 2) rate of pay, 3) holidays, 4) vacation days and 5) accumulated hours of sick leave.

11.2 A. The salaries of the classified employees in the bargaining unit shall be increased by 1 step each year in the horizontal scale of the attached salary schedule through step 8. This advancement of 1 step on the salary schedule shall be in addition to any cost of living adjustment. This increase shall then become an annual increase effective as of July 1 of the year this contract is first entered into, and shall then become an annual increase unless amended or supplemented by mutual agreement of the parties involved.

B. When an employee has worked for the District for ten (10), fifteen (15), twenty (20) or twenty-five (25) years, that employee shall receive a (\$.50) cent per hour bonus for ten (10) years; (\$.50) cents per hour bonus for fifteen (15) years; (\$.75) cents per hour for twenty (20) years; and (\$.50) cents per hour bonus for twenty-five (25) years. The District will advance employees to the ten (10), fifteen (15), twenty (20), and twenty-five (25)-year bonus step on the month following their anniversary date of employment. (The effective date for this change is July 1, 1990). Employees who are at the last step of their respective range shall receive only the cost of living adjustment.

C. Former District employees hired back, within five (5) years of service, in a former position with at least (5) years of past service shall initially be placed on their former salary step. This section shall not apply to former employees on the recall list.

D. New employees shall be initially placed on the salary schedule on a step reflecting years of relevant experience. Superintendent will consider the information and make the final determination regarding placement.

11.3 After five (5) consecutive working days, an employee shall receive the hourly wage for the position that he/she will be temporarily working in. Such placement will be at that employee's normal step on the salary schedule.

11.4 The employee who is transferred by the Board to a classification lower than the one under

which he/she is working shall be placed on the lower classification salary range at the same salary or the nearest comparable higher salary as he/she was receiving on the higher classification range. If the choice of transfer is by the employee, they will remain on their present salary step in the new classification. If the employee is moved for disciplinary reasons, the employee will remain at their present step.

- 11.5 Physical examinations required by the District shall be paid by the District.
- 11.6 An employee shall be guaranteed a minimum of two (2) hours at the rate of time and one-half of that employee's rate of pay when he/she is called back to work by the building administrator or direct supervisor after completing a regular scheduled shift. If the employee was not scheduled to work on that day, then they will receive at least compensation for two hours work.
- 11.7 Reimbursement for the use of private cars for school business or transportation to educational meetings shall be at the IRS rate known at the time of payment for one or two persons in one car; an additional 2 cents (\$.02) will be added per mile for three or more persons in one car.
- 11.8 Each employee shall choose his or her method of receiving pay from the following choices and shall notify the payroll office by July 1 of each school year of the method desired:
 - A. Pay will be for actual time worked and anticipated through the end of each month.
 - B. Twelve (12) equal payments, beginning in the first month worked during the work year, with remaining checks issued in June.

12.2 Employees in the bargaining unit shall be compensated for the holiday as though they have worked a regular schedule for the day. If an employee is required to work on the named holidays, he/she shall receive the overtime rate for all hours worked in addition to his/her regular holiday pay or one and one-half (1.5) days off for each day worked, with prior arrangement.

All contributions shall be subject to the rules and regulations of OEGB and the IRS.
- B. Should a member choose plans with a total premium amount in excess of the Maximum Contribution amount, the member will have the balance of the premiums deducted from their monthly paychecks. In case of closure during the day the employee shall remain on the job until the end of the shift or until dismissed by the building administrator. In the event employees lose workdays (and the days are not added to the School Calendar) because of school closure, the District may give consideration to make up lost days during the remainder of the school year. In the event classified staff are sent home early from their

shift, there shall be no loss of pay.

In the event an employee's scheduled report time is prior to the notice of school closure, that employee will be paid for hours worked, with a minimum of two hours.

While classified employees should not normally take personal leave during these time periods, reasonably compelling requests for such leave will not be denied.
3. Normally, absent reasonably compelling circumstances, no more than two (2) classified employees from each building will be granted personal leave on a given day. In cases of more than two (2) requests, the first two (2) requests will be granted as long as the other conditions of this section are satisfied.
4. Requests to the classified employee's principal or other immediate supervisor for personal leave shall be a least two (2) days before taking such leave, except in an emergency.
5. Only one (1) personal leave day may be used during the months of May and June, unless request to use more than one (1) day during those months is approved prior to April 1 of the school year. However, this provision may be overridden by the building principal if an emergency circumstance occurs during the months of May or June.

As needed, classified employees, who have exhausted their sick leave, personal leave and vacation leave (if applicable) and who qualify under a "catastrophic illness" clause (as determined by the Association), can receive up to thirty-five (35) donated days within one school year.

On a district-wide basis over the course of a school year, for all days given, the first thirty (30) days given will be a 50-50 split by each donor of Approved Personal Leave and/or Vacation Days and Sick Leave. Beyond these thirty (30) days, contributions will be limited to Approved Personal Leave and/or Vacation Days. Donated Approved Leave and/or Vacation Days are limited to a total of three (3) per year per donor.

14.4 Levels of Grievance

Informal with Principal or Immediate Supervisor

The aggrieved will first discuss his/her grievance with his/her principal or immediate supervisor, either individually or through the school grievance representative, or accompanied by an Association representative, with the objective of resolving the matter informally.

Level One

If the aggrieved is not satisfied with the disposition of his/her grievance, he/she may file a written grievance with his/her immediate superior (who has administrative authority to act) within ten (10) days following the act or condition which is the basis of his/her complaint, or, if the aggrieved had no knowledge of said occurrence at the time of its happening, then within ten (10) days of the first such knowledge. This complaint shall set forth the grounds upon which the complaint is based, the remedy sought, and the reasons why the aggrieved considered the decision rendered is unacceptable. The immediate supervisor shall communicate his/her decision in writing within five (5) days to the aggrieved.

Within five (5) days of receipt of the decision rendered by the immediate supervisor, the aggrieved, if he/she is not satisfied with the decision of the immediate supervisor, may appeal in writing to the superintendent or the superintendent's representative.

Level Two

Appeals to the superintendent shall be heard by the superintendent within ten (10) days of his receipt of the appeal. Written notice of the time and place of the hearing shall be given five (5) days prior thereto to the aggrieved, his/her representative or any other persons officially involved in the grievance.

Attendance at the hearing of appeal shall be restricted to persons officially involved. Parties in interest may elect to call witnesses who shall appear individually at the hearing.

Within five (5) days of hearing the appeal, the superintendent shall communicate to the aggrieved and all other parties officially present at the hearing of his/her written decision, which shall include supporting reasons therefore.

If aggrieved is not satisfied with the decision of the superintendent, he/she may file a written appeal with the school district board of directors via the Superintendent within five (5) days from the receipt of the superintendent's decision. The appeal shall state the aggrieved's reasons for appealing decision of the superintendent and request appeal to Level Three.

Level Three

Within five (5) days of the receipt of the appeal, the school district board of directors will notify all official parties of a hearing to be held within ten (10) days of the receipt of the appeal. The board of directors shall hear arguments of the superintendent and the

aggrieved. The hearing before the Board shall be a public hearing if required by Oregon law.

Within five (5) days following the hearing the school board of directors shall render a decision in writing to all official parties.

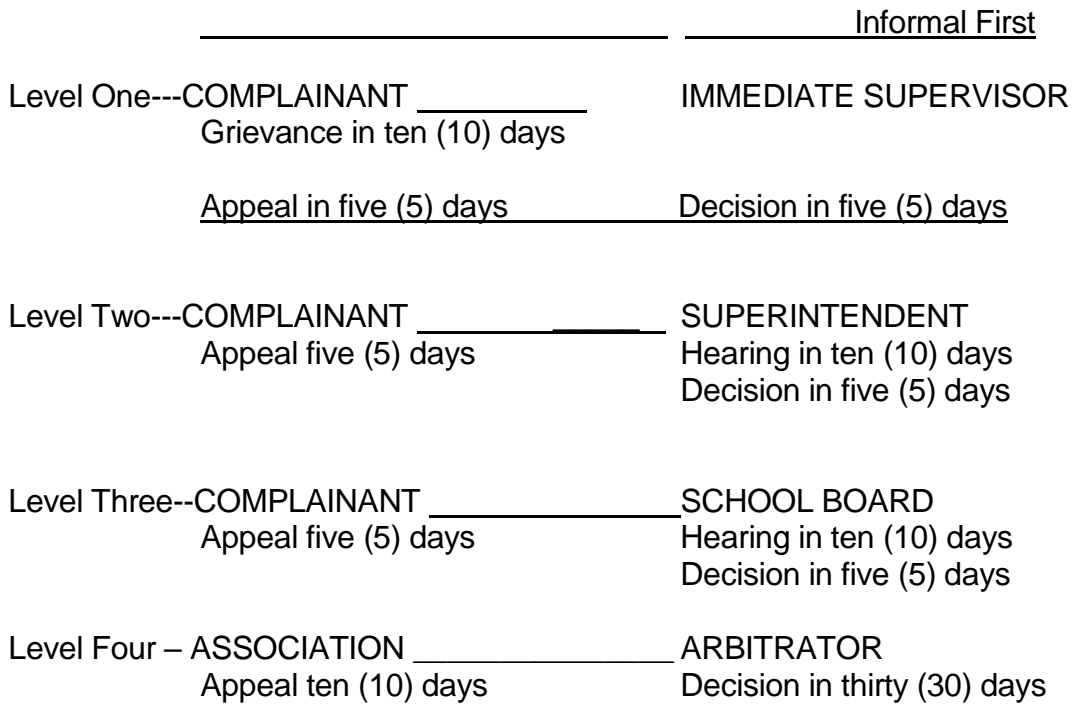

Level Four

If a grievance remains unresolved at Level Three, the Association may appeal the decision to arbitration if notice is given to the School Board or their designee within ten (10) days of receipt of the Level Three decision. The association and District shall then attempt to select an arbitrator mutually. If the parties are unable to do so, the Association shall be responsible for contacting the Employment Relations Board and requesting a list of seven (7) potential arbitrators. The parties shall thereafter confer to alternately strike one name from the list until one remains, and that person shall be the arbitrator.

The parties will abide by the voluntary rules and procedures of the American Arbitration Association for the conduct of the arbitration. The arbitrator shall not have the authority to substitute his or her judgment for that of the District, and shall limit his/her inquiry into whether a specific term or provision of this Agreement has been violated. The arbitrator shall be without authority to add to, delete from, or otherwise modify the parties' agreement. Within the confines of the arbitrator's authority, his/her decision shall be binding upon the parties. The arbitrator shall render a written decision within thirty (30) calendar days of the close of hearing or the submission of briefs, whichever occurs later. Charges for the services of the arbitrator shall be shared equally by the District and Association.
