Meeting called to order at 5:30pm

Honor Native People

Announce;

Nov: Native American Heritage Month, Nov. 25th is Native Heritage Day

Kathy acknowledges the contributions to the creation of U.S. society and governmental agencies/representation.

Call to order/ Open Meeting:

Liwaru moves to approve last month's meeting minutes, which was unanimously moved.

Old business:

1. Bias Incident Complaint Form: (See Below) Where should form live? Karen Wheeler has assisted Kathy in some of the technical issues with the creation of the digital BICF. Adobe can be used to make a fillable pdf. Wording was adapted for better understanding and the form is now a report, rather than a complaint form. Kathy will make appropriate technical changes to the document for congruency. The report form pdf will be available on the Inclusion Alliance webpage and there will be a link on the school board's policy page.

2. Checklist - All administrators but one agreed at today's administrator's meeting that they would like to receive a checklist from the Inclusion Alliance. Next month, the checklist will be addressed with the alliance.

3. Recruiting new committee members. This is an ongoing endeavor and will continue to be pursued.

New Business:

1. Follow up NKNSlander - No new news. We will be vigilant.

2. Paul feels we should be tracking bias incidents at schools. Should we and how would we do this? The alliance will utilize Liwaru as a resource next month on tracking. We will also ask for clarification about the superintendent's intentions and processes toward tracking.
