## January's Characteristic is Being Organized

Each month, GGS focuses on a personal characteristic and teaches it to our students. Our focus for the month of January is being organized. Students who are organized plan and set goals and prioritize them. They are able to plan and carefully keep things neat.

At the end of the month we will be handing out three awards in each class, two for students who were demonstrating being organized and one Pride of the Pack award focused on perseverance. Please talk with your child(ren) around the conversations they are having at school on being organized.

## 2023-24 Statewide Assessments, 3rd-5th Grades

Every year we need to notify families of the Statewide Assessments that will be happening. Oregon law permits parents to annually opt-out of Oregon's statewide assessments in English Language Arts and/or Mathematics by submitting an annual form to the school the student attends. Please view the notice at this link: [OSAS Opt Out Form English](#) or ask for a paper form in the school office.

## Oregon Department of Education SEED Survey Grades 3rd-11th

**ELEVATING STUDENT VOICE:** The Oregon Department of Education is deeply committed to helping each and every student learn, grow, and thrive. ODE is also committed to providing opportunities for feedback and input to continuously improve education experiences for all students in Oregon. The Student Educational Equity Development (SEED) Survey will help ODE gather information about the educational experiences of students in Oregon. This information will help ODE to develop appropriate resources and supports for districts in Oregon, and better target those resources where they are most needed. SEED Survey data may also help districts develop a fuller picture of their local contexts and make strategic modifications to curriculum, instruction, and related academic supports that they offer students. More information can be found on the ODE website through the following links, (if reading online): [ODE SEED Survey](#) or [Annual Notice of SEED Survey](#).

## Every Day Matters and We're Here to Help!

Students miss school for many reasons. Some are related to transportation or basic needs, and others are connected to emotional or academic challenges. No matter what the reason, it's

Identifying barriers to attendance is an important part of keeping students engaged in school, graduating on time, and thriving in all areas of their lives. Let us know how we can help, GGS wants your child to succeed and is focused on helping smooth the way to regular attendance!

## Ms. H's Counseling Corner

Happy New Year! I hope everyone had a wonderful break!

In the month of December we started talking about our "red flag warnings" to help us identify and name our feelings. Our bodies give us clues to help us recognize when we are experiencing an emotion. When we pay attention to those red flags we can decide which tool to use to help us manage that feeling. This is when we talk about our Wise Wolf Way #5, we notice our "red flags" and then we can exit the emotional elevator on a lower floor.

January is the month that we will be reviewing all of our tools and practicing how to use them in different situations. We will also begin the next section of the Child Protection Unit. We will be using our three ways to stay safe and apply them to safe, unsafe, and unwanted touches. The third part to our lessons will be how to report these unsafe or unwanted touches to someone in our constellation of support. There will be an email sent out later in

the month with a link to the information contained in this unit.

If you have any questions, please feel free to email me at [cherieh@nknscd.org](mailto:cherieh@nknscd.org), or call the school office at 503-322-0311.

## Classroom Celebrations, Volunteering, and Field Trips

Reminder that all food that is brought for classroom celebrations needs to be store bought or food prepared in an health department inspected kitchen. Please let your child's teacher know prior to bringing in treats, it makes it easier for them to schedule a time to celebrate.

Also, if you would like to volunteer during a classroom party or field trip, remember you will need to have an approved volunteer background check on file. They are good for 3 years. Some field trips there is limited number of spots for volunteers, so please make sure you get the teacher's approval before making plans to attend.

### Inclement Weather Communication Plan (Revised 12/4/2023)

Neah-Kah-Nie Staff, Students, and Parents,

In case of inclement weather and/or a power outage, here is the school district's Delayed Start Communication Plan.

#### **Monday-Friday**

5:00 a.m. Road checks by First Student and NKN School Superintendent

5:45 a.m. First Student and superintendent will discuss road conditions to determine if a school delay or school closure is necessary. If the decision is to cancel or delay school, the superintendent will notify staff.

6:00 a.m. Public notice of school cancellation or delay by the school district will be available on the school district's Facebook and website pages ([nknsd.org](http://nknsd.org)), Flashalert, and School Messenger.

In the case of inclement weather or a power outage, the school district will make timely and safe decisions based on current conditions. In case of a power outage, the school district will communicate with Tillamook PUD staff to determine next steps.

If there is a two hour delay, elementary staff will report to work at 9:30; school will begin at 10:00. At the secondary level, staff will report to work at 10:00 and school will begin at 10:45.

Parents, if there is a two hour delay, your child will need to be at the bus stop two hours later than the regular bus pick up time, for example, if your child is normally picked up at 8:10 a.m., with a two hour delay, your child will be picked up at 10:10 a.m.

Breakfast will not be provided on a delayed start day.

Sincerely,

Dr. Tyler Reed, Superintendent  
Neah-Kah-Nie School District
