Miss Jennifer School Counselor

Welcome back! We are so excited to start the year with your kiddos on the 3rd.

As the school counselor I will be teaching SEL lessons (social emotional learning) 30 minutes a week in each classroom Pre-K through 5th grade. I love getting to connect with students each week. I also work individually with students (not therapy) to help in

cultivating social and emotional skills or provide support during challenging situations. Additionally, I will be able to provide small group counseling which allows students to practice skills such as self control, friendship, managing emotions and handling worry and stress. In September, our lessons will work on connecting and getting to know each other as well as starting with understanding brain states and self regulation, introducing Kelso's choices (problem solving and conflict resolution) and introducing our Tools that foster empathy, resilience and self-mastery.

If you have any questions or concerns about your student, feel free to contact me. You can also fill out a [counseling form espanol](#) to request a meeting.

I am looking forward to a great year!!

PE - Mrs. Duer

Welcome back! I'm excited to welcome students in the gym and see their smiling faces. Nehalem Elementary is going into their third year of having daily PE! It is recommended that kids engage in 60 minutes of physical activity per day so having 30 minutes of PE daily is instrumental in their overall well being.

I'd like to remind parents to please make sure your child has a comfortable pair of tennis shoes. Improper footwear (sandals, dress shoes, boots) can sometimes lead to injury or pose a tripping hazard. I always let students take a few minutes to change shoes if needed so keeping a pair of tennis shoes in the backpack is a great idea.

District Nurse - Denise Weiss

Welcome back students and families!

We are looking forward to seeing everyone again this school year. Please review the updated attached symptom tracker to see when to keep your students home. This guide is very easy to follow and should help determine when students should stay home due to illness. Also, remember students cannot carry their own medicine to school. If your student needs medicine at school, a parent or guardian needs to bring the medicine to the office and complete the paperwork. Any questions, please call the office.

PLEASE KEEP STUDENTS WITH SYMPTOMS OUT OF SCHOOL

This list is school instructions, not medical advice. Please contact your health care provider with health concerns.

NCRD Youth Center

Welcome Back NES students and families, we here at NCRD are happy to be back in school and hope you had a Fantastic summer! If you are in need of youth care, please reach out to us. We pick up your students at Nehalem Elementary school at the end of each school day and are open until 5pm. Our cost is \$6 a day per child. This does include a nutritious snack and a host of enrichment activities (outdoor play/walks, gym time, crafts, music, science, etc.) If interested, please reach out to Angie or Kiley at NCRD by phone, email, website, or just stop in. We are not doing drop-ins currently but hope to get back to that someday. We do have full day care when the school is closed, if it is not a national holiday. Those days are \$20 per student. The first no school day is September 23. To preregister and prepay, contact the Welcome Center. Scholarship applications are available upon request.

Scholarships for students are funded through the Friends of NCRD, who support families in need through various fundraisers throughout the year. Please let any youth center staff or the Welcome Center know if this is a need, and we will get you a scholarship application.

-Youth Sports-

Registration is open for Soccer. Please stop by or call the Welcome Center for more details! If you are interested in volunteering/coaching for this or any sport, please let me know. None of this would be possible without the great coaches we have. We will start practice on September 16 right here at the NES field. Please make sure you have cleats, shin guards, and a water bottle.
