

Neah-Kah-Nie Middle School

November 2025

From the Principal

Dear Parents and Guardians,

What a fantastic way to wrap up October! Our Spirit Week brought so much positive energy to the building—students showed incredible creativity and school pride each day. It was wonderful to see so many smiles, laughter, and connection across all grade levels.

I also want to extend a huge thank you to everyone who participated in our Student-Led Conferences. We had an impressive 96% attendance rate, which truly speaks to the commitment of our families and students. These conferences are an important part of our students' growth. They provide an opportunity for each student to take ownership of their learning, reflect on their progress, and set goals for the months ahead—all with the support of their teachers and family.

As we move into November, we're continuing to focus on growth, gratitude, and connection. The end of the first trimester is coming up on November 24, which is also the last full day before Thanksgiving break. Even though it's the only school day that week, attendance is especially important—teachers will be wrapping up essential learning, reviewing progress, and preparing for reporting on student progress toward mastery of the standards. Look for Trimester 1 report cards to be sent out the first week in December.

Warm regards,

Lori Dilbeck
Principal, Neah-Kah-Nie Middle School

Student Expectations

Students are responsible for bringing their Yondr pouches to and from school each day. If a student forgets their Yondr pouch, they are to turn their phone/smartwatch into the front office for the school day.

If a student has lost or broken their Yondr pouch, there is a \$25.50 replacement fee. Please call the front office if your student needs a new pouch.

Students Attending Games/Events

A reminder that all middle school students attending home athletic games or events need to be accompanied by an adult.

NKN Robotics

NKN Robotics is off to a strong start - the team is supporting a Unified Robotics team this season helping students with intellectual disabilities participate in Robotics and helping all students involved work on interpersonal skills and being good teammates. James Johansen and Carlotta Roddy are providing this opportunity Mondays after school to a select group of Neah-Kah-Nie students. The theme is Lord of the Rings themed, and students are building a scout and a ballista - robots that will be able to complete the challenge.

The NKN FIRST Tech Challenge Robotics team has a new name this season. Goodbye Team Undecided, hello Team Tsunami Zone! Students liked this new name because it is really funny, locally themed, and has the potential to provide an opportunity to talk about tsunami safety with others. The chant, "Get to High Ground" will play a role in competition at some point. This year's competition called "Decode" is quite a challenge. The team will be launching balls into goals to complete patterns to score points. The field elements are five inch wiffle balls in purple and green which are quite fun to toss around. Our wheel launcher powered by a 6000 rpm motor is so effective that it has the power to throw a ball 25 feet across a large room.

School Immunizations

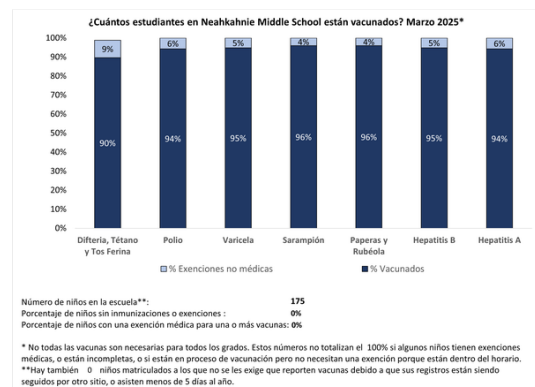

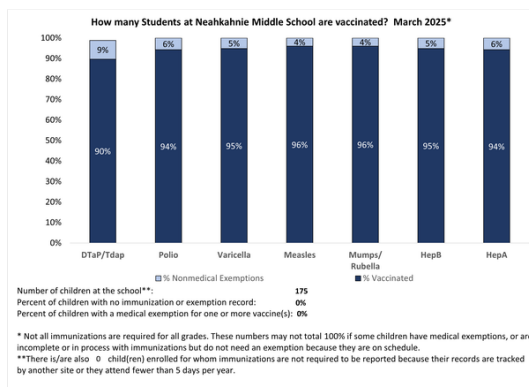

Hi families!

Now is a great time to review vaccine records and make sure your student's vaccines are up to date. You may receive a notice from the school if our records indicate missing vaccinations.

The state of Oregon does allow medical and non-medical exemptions with the correct forms and educational viewings. Visit [Oregon Immunizations](#) for more information.

With the rise of communicable diseases such as whooping cough and measles, it is important to note that if your child is exempt from vaccines (unvaccinated) and active cases of communicable diseases occur in school, local public health authorities may temporarily exclude exposed unvaccinated students from school during active outbreaks. Keeping students in school is a priority for all of us. Speak to your healthcare provider about the best options for your student regarding vaccinations.

If your student is due for an immunization, you will receive a letter in the mail stating what vaccine is due. **Oregon Exclusion date for all students is Feb 25th 2026.**
