

From the Principal

Dear Parents and Guardians,

As we wrap up another school year, I want to take a moment to thank you for your support, partnership, and trust throughout the year. It has been a year filled with learning, growth, challenges, accomplishments, and many memorable moments for our students and staff.

One of the highlights of this school year has been the tremendous academic growth demonstrated by our students. While the final numbers from the state assessments are still coming in, the preliminary results are very encouraging and show that students at Neah-Kah-Nie Middle School are performing at exceptionally high levels compared to the state averages.

I would like to thank our families for the many ways you have supported our school community. Whether through communication with staff, volunteering your time, encouraging your students at home, or simply partnering with us each day, your involvement makes a tremendous difference.

We hope your family has a safe, relaxing, and enjoyable summer, and we look forward to seeing many of our students again next year.

With appreciation,

Lori Dilbeck
Principal, Neah-Kah-Nie Middle School

Summer EBT Program

Dear Families,

We're excited to share that the **Oregon Summer EBT program is back for Summer 2026!** This program helps families buy food during the summer. Each eligible student can get **\$120 for groceries.**

Who can get this benefit?

Your school-age child may be automatically eligible if:

- Your family gets SNAP, TANF, or Oregon Health Plan (Medicaid) and meets income rules.
- Your child gets free or reduced-price school meals and meets income rules.
- Your child is in foster care, in migrant education, experiencing homelessness, in a qualified Head Start, or part of the Food Distribution Program on Indian Reservations (FDPIR).

Your school-age child may be eligible by application if:

- Your family meets the federal income requirements for free or reduced-price meals at school, and
- Your child attends a school that participates in the National School Lunch Program (NSLP) or School Breakfast Program (SBP).

Important things to know:

- If you got Summer EBT last year through an approved application (2025), you don't need to apply again. Your family will get benefits on **June 4, 2026.**
- If you're new to the program and didn't get benefits automatically on June 4, you must apply by **Sept. 1, 2026.**
- The money will be placed on an **Oregon EBT card** and can be used at most grocery stores, farmers markets, and more.

To learn more or to apply, visit sebt.oregon.gov or email summerebtinfo@odhs.oregon.gov. Starting June 1, 2026, you can also call the Oregon Summer EBT Call Center at 1-833-673-7328 from 8 a.m. to 5 p.m. Pacific Time.

Eating well helps children stay healthy, grow strong, and do better in school. That's why programs like Summer EBT are so important for students.
